Niamh Donegan
Manager, An Grianán

An Grianán is open all year round and everyone is welcome to enjoy a daily, midweek or weekend holiday where you can participate in a course, an activity or rest and enjoy our fabulous hospitality in comfortable surroundings, with caring and friendly staff. Our charming manor house is situated at the centre of our 80 acres, just a short walk away from the sandy beaches of Baltray and Seapoint. Outdoor facilities include two beautiful all-weather tennis courts which can be used by our visitors.

We are ideally located for touring the Boyne Valley area with all its historic sites and the bustling shopping town of Drogheda. We are always delighted to welcome groups and organisations from every background for conferences, meetings and team building outings. Our aim is to facilitate change and

growth for all, women and men alike, through lifelong learning. Our mission is to empower and validate individuals through our courses and our culture of mutual support. All our staff look forward to meeting and greeting you, especially our new Manager, Niamh Donegan.

“If you ever plan on traveling to Ireland I can't recommend An Grianán enough! The facility was magnificent and more importantly, the people were so kind and attentive. I will most certainly be going back!”
